

Justified text — inter-word gap fixture

The disestablishmentarianism is a word
Espercalifragilisticexpialidocious means
Justified text spreads word spacing evenly
across all lines. words end up with very wide
inter-word gaps. If you merge with a small gap tolerance
draw them as separate blocks.

Search highlights must sit exactly on top of
the characters. If justified its word gaps can
be stretched. A selected line merging fragments with a
six pixel gap tolerance always gaps the persisted
Korean rectangles. only when their
horizontal gap stays under four pixels.
